

Congratulations! We are pleased to inform you that your prize includes a monetary award. This letter contains information about how these funds will be issued to you.

Direct Deposit

If you have already enrolled in direct deposit via TigerHub, the amount of this prize will be transmitted to your bank account within 2-3 business days after you've received your prize certificate. Please note that depending on the processing time for your particular financial institution, these funds may take an additional 1-2 business days to become available in your account. **To avoid delays we encourage students to keep their bank account open until payment is received.**

If you do not see the funds deposited in your bank account after three business days, contact the Financial Service Center at 609-258-3080, or email finance@princeton.edu, and a representative will work with you to resolve the issue.

Checks

If you have not enrolled in direct deposit, a check will be mailed to the permanent address on file with the University.

We encourage students who will be leaving the U.S. to deposit or cash their prize check prior to leaving the U.S.

If your check does not arrive at your permanent address within 7 business days, contact the Financial Service Center at 609-258-3080, or email finance@princeton.edu, and a representative will work with you to resolve the issue.

If you have any questions about this process, staff in the Financial Service Center are available to assist you Monday through Friday, 8:45 a.m. – 5:00 p.m.

Please accept our congratulations on this achievement and best wishes for your continued success.
